

DEAR WORKPLACE

by INNOVATORSBOX

REIMAGINE HOW YOU THRIVE
AT WORK THROUGH
CONVERSATIONS
THAT MATTER.

CAN I FIND
COMMON GROUND
WITH MY
COLLEAGUES?

CAN I BE
HAPPIER AND
MORE FULFILLED
AT WORK?

IS IT POSSIBLE
TO LOVE WHAT I
DO NO MATTER
WHAT I DO?

Dear Workplace: A podcast hosted by workplace creativity expert *Monica H. Kang* focused on the latest trends, changes, and challenges to untangle the workplace's people problems:

- Colleagues who tell discriminatory jokes.
- Bosses with power who don't walk their talk.
- Demanding, disrespectful clients.
- Leadership that resists and devalues diversity, equity, and inclusion.
- A culture that lacks creativity and a willingness to take risks.

That's a lot to carry around in a place where you spend a lot of time.

In each episode, we'll talk with executives, innovators, and experts and visit different industries around the world so you gain actionable insights and tips.

WHY INNOVATORSBOX?

Since 2016 we've helped organizations around the world use creativity to rethink their culture, leadership, and team development. We've found that every project shares a common theme: the need to have honest conversations about how important, intentional, and difficult it can be to work with people. So we wanted to create a safe haven for our listeners to ask, learn, laugh, and take action.
